

**COB Distribution of Facilities and Administrative (F&A)
Recovery from Externally Sponsored Programs
Approved by EC on July 25th, 2019**

F&A recoveries (formerly referred to as ICR) by College of Business are used to create and sustain an infrastructure for research and sponsored programs activity.

Campus F&A

Per current policy, campus units retain 60% of F&A funds.

COB F&A

Under campus policy the COB of retains 40% of F&A funds generated from COB externally sponsored programs. The funds recovered by COB as a unit (i.e., 40% provided to COB receiving award) will be divided between the college, and the principal investigator.

The COB will retain 20%, and the PI will be given 80%.
