

EAS Policy: EAS-FAC-006

Subject: ICR Return

Effective Date: February 1, 2017

Supersession: May 10, 2012

Approved: R. Dandapani, Dean

Introduction:

In order to encourage research funded by external grants, EAS has a generous policy of distributing ICR funds returned by campus to the college.

Policy:

Of the funds received from campus, for faculty hired before August 2017:

65% Returned to PI

15% Returned to Department

20% Returned to Dean

Of the funds received from campus, for faculty hired starting August 2017 during their first 6 years:

30% Returned to PI

30% Returned to Department

40% Returned to Dean

NOTES: For faculty hired after August 2017, the distribution will be 65-15-20 for their 7th year and beyond. A director of a center in the college will negotiate ICR return to the center with the appropriate Department Chair and the Dean.
