

**UNIVERSITY OF COLORADO COLORADO SPRINGS  
OFFICE OF SPONSORED PROGRAMS AND RESEARCH INTEGRITY (OSPRI)  
PROPOSAL ROUTING AND APPROVAL FORM**

PI Instructions  
Updated December 16, 2022

- **Contact OSPRI ([osp@uccs.edu](mailto:osp@uccs.edu)) as soon as you decide to submit a proposal.** See [A Timeline to UCCS Grant Submission](#) for additional information and resources. OSPRI will work with you to finalize your budget, finalize proposal forms, discuss the timeline for submittal, etc.
  
- **Your *complete* proposal must be uploaded to the submission portal at least five (5) working days for administrative review. This is your final proposal package that will be submitted by OSPRI.** Barring extraordinary circumstances, proposals not meeting this deadline will not be submitted, or may be submitted with conditional approval. If submitted with conditional approval, should subsequent review reveal that the proposal is incomplete or does not conform to Institutional or Sponsor requirements, the proposal may be withdrawn by OSPRI on behalf of UCCS.
  
- **Allow adequate time for any review required by your department/college/director** to ensure you meet the OSPRI five (5) working day deadline. Typically, this form should be routed with the final budget and a near-final draft of the narrative and summary. Contact your supervisor(s) to confirm what they need before approval.
  - **Note:** Proposals exceeding \$1 million or that include student-related training or curriculum require additional approvals which must be factored into the review timeline.
  - **Note:** Proposals with subawards require extra time for budget and scope of work review. Aim for 14 additional working days in advance of the 5 day deadline.
